# 4-H Activity Story

Name: _____ 4-H Year: _____

Club: _____ Grade: _____

Tell about **YOUR** involvement in your club's activities. Do **NOT** tell about your projects in this activity story; only include 4-H activities. Were you a member of any committees? Did you serve in any leadership roles? Did something happen during the year that you remember as a lot of fun? How have these 4-H experiences affected your thinking? This is also the place to share county activities in which you were involved, such as Junior Leaders, Ambassadors, trips, etc. You should also include state and national activities you were involved in. **(May use additional pages.)**
