# Your Cloverbud Yearly Plan and Record

Welcome to 4-H! "Cloverbuds" are 4-H members in Grades K-2. As a Cloverbud, you get to explore 4-H, enter projects in the fair, and learn from older 4-H members.

Your Yearly Plan and Record is a record book, or journal, that you keep to show what you did in your 4-H year. You can use these pages to decide what you want to do in 4-H, and then keep track of what you did! At the end of the year, turn in this completed book to your 4-H Club leader. Club leaders usually ask all members for their Record Books sometime around September.

When you reach 3rd Grade, you will move on to the regular Yearly Plan and Record Book that all of the older kids in 4-H create and turn in every year. Keeping a Cloverbud Yearly Plan and Record will help you to learn how to do that so you can continue your 4-H success as you get older!

Parents and your 4-H leaders can help you to fill out this Cloverbud record. The work should be your own, and your parents should sign on the bottom of this page!
