Each member weighing in animals will need an individual form. Please complete the top part of the form only, and bring to weigh-ins. Each beef steer will be identified with an electronic ear tag. Do not sign this form until after your steer/s are weighed, identified, registered, and you have checked the information for accuracy.

Members are required to pay for the electronic tags their animals will be tagged with. Tag costs, are **\$3.00 per tag (or per animal)**. (Example-if weighing in two animals, cost is \$6.00.) **Please bring the exact amount as no change will be given back. Checks will be accepted and should be made payable to Barron County Junior Livestock Committee.**

The Junior Livestock Committee is required to include a line for Premise ID on the registration form. If you have a Premise ID, please include the number on that line. If you do not have a Premise ID, leave the line blank.
