BARRON COUNTY FAIR BARN QUILT CONTEST

Barron County Barn Quilt Challenge

This geometric-based square is the perfect opportunity to funnel your quilting creativity into a show-stopping square that will stop Fairgoers in their tracks. The winning quilt block will be reproduced by painting on sign board and proudly displayed on one of the buildings at the Barron County Fair Grounds.

Barn quilts were originally conceived as a way to encourage economic development by promoting ag-tourism and local businesses while bringing travelers to rural areas. While quilts are usually made up of a series of squares of the same pattern placed together, a barn quilt is always a single square.

Prizes will be given for 1st, 2nd, and 3rd places

2019 4-H ASSOCIATION RAFFLE

2019 Barron County 4-H Association Raffle

The 4-H Association is proud to announce that we have some of our usual raffle prizes this year, but have worked hard to provide new and exciting prizes to entice people to buy tickets. Not only will we have the prizes listed on the raffle tickets, but we will be offering spa packages, skating & bowling passes, and other gift cards for great local food and services! Keep your ear open for more information about our separate raffle for handmade 4-H quilts and blankets, tickets only sold at the fair!

Funds raised from the raffle tickets benefit the Barron County 4-H Association, which provides funding for trips, awards, scholarships and other 4-H opportunities. Because of fundraisers like this, the 4-H Association is able to continue the event reimbursement program where members can access up to \$150 annually for out-of-county 4-H experiences. These opportunities benefit all 4-H members!

4-H families are encouraged to sell raffle tickets for the Barron County 4-H Raffle! Clubs should set a goal of at least one raffle book per member.

Club leaders will get tickets for their clubs. 4-H families should go through their club leader to obtain tickets. 4-H Club leaders will be given one book of raffle tickets per family in their club to start with at the Annual Meeting. You can have more tickets right away or stop at the UW-Extension office to get more and/or turn in money. Ticket stubs and money should be turned in to the UW-Extension office before the fair. If this isn't possible, stubs and money should be put in a Ziploc bag marked with your club name and taken to the fair office while the fair is in session.

Club Baskets

Clubs are encouraged to contribute a themed basket or item for the raffle. Please let the UW-Extension office know whether your club will contribute a basket or an item, so it can be included in raffle promotions. Contributions should be dropped off at the Youth Expo Building on July 16th or 17th. 4-H Clubs that donate a basket/item for the raffle prizes will get the club name put in the drawing. Two club incentive prizes will be drawn, \$50 and \$25.

Youth Incentives

Youth members may write their names (legibly) on the "Sold By" line on the front of the raffle tickets. Youth members names on winning tickets for raffle prizes with a \$50 value or higher will be awarded a \$5 cash prize.

Join us for our live raffle drawing, Sunday, July 21st at 6:00 p.m. in the Youth Expo Building at the Barron County Fairgrounds. Need not be present to win!

2019 Barron County Fair, “There’s No Time Like Fair Time”

July 17th-21st

YOUTH LIVESTOCK AUCTION

Youth Livestock Exhibitors Preparing Quality Meat Animals for 2019 Show and Sale

Throughout the county, 4-H and FFA members are working to prepare their quality livestock projects for the 2019 livestock shows and sale at the Barron County Fair, July 17-21. Live animal judging will take place in the covered arena just to the north of the dairy barns on Wednesday, July 17 with Sheep at 3pm, and on Thursday, July 18 with Hogs at 8:00 am and Beef at 2 pm. The annual highlight of the livestock project will continue with the **55th Annual Junior Livestock Sale on Saturday, July 20, 2019 at 1:30 pm.** A total of 95 locally raised meat animals from the beef, sheep and swine projects will be sold to the highest bidder with Paffel Auctioneering conducting the sale, and Citizens Community Federal Bank serving as clerks. The sale will take place in the covered show arena with presale announcements starting at 1:15pm, with the sale to begin at 1:30 pm.

Prior to the sale, livestock exhibitors and their families will host a picnic and reception on Saturday, July 20 at 11:30 a.m. for all past and prospective buyers. This picnic will be held in the track infield, near the Crops Tent. Prospective buyers are invited to visit with the exhibitors and view the exhibits and animals on Saturday morning prior to the picnic. All are welcome to attend, bid and buy! Buyers can be anyone, businesses or individuals, who are interested in supporting 4-H and FFA youth livestock project members. In addition to purchasing quality, locally produced meat, businesses and individuals will receive recognition and advertisement at the time of purchase with sale announcements, display of company logos at the time of purchase, poster displays above each animal purchased, newspaper ads and advertisement for the following year's sale. All sale prices are based on the live weight of the animal determined on the first day of the fair. Buyers of animals of each species with the champion rate of gain, champion live rank, champion carcass rank, and overall champion animal will receive special recognition.

WJMC Radio will carry a presale broadcast on Friday morning, giving information about the beef, swine, and sheep shows and general information about the livestock sale. Sale catalogs will be available on Friday morning at the Fairgrounds and the Barron County Fair website.

Anyone interested in bidding can register by contacting Steve Sirek, Hog Superintendent, at sjsirek4@gmail.com, or Jason Erb at Citizens Community Federal in Rice Lake at jerb@ccf.us. Bidder registration can also take place on the day of the sale, with bidding numbers and registration available at the sale arena. Questions regarding the livestock project or sale can be directed to any Barron County FFA Advisor, and/or Barron County UW-Extension office at 715-537-6250. FFA Advisors include Kristin Hanson, Barron FFA, hansonk@barron.k12.wi.us; Peter Kolpack, Rice Lake FFA, kolpack@ricelake.k12.wi.us; Arlaina Meyer, Cumberland FFA, ameyee@csmail.com; Courtney Deetz, Prairie Farm FFA, cdeetz@prairiefarm.k12.wi.us, and Jeff Ladd, Cameron FFA, jladd@cameron.k12.wi.us

The objective of the livestock project and sale is to provide an incentive for 4-H, FFA and other youths to participate in the livestock project, an educational experience in selecting, raising and showing beef, sheep and swine. Following the motto, "learning by doing," livestock exhibitors gain valuable hands-on experiences as food producers by caring for their animals, maintaining production and financial records, and taking personal responsibility for their role as quality meat producer in the livestock industry. The Livestock Sale provides a financial incentive to do well, as buyers have traditionally paid above market prices for member's animals, recognizing the high quality of animals, and hard work and dedication of project members. Members reinvest these proceeds into their livestock project or set aside the funds for continuing their education. Many past members can proudly state that their livestock project animals helped to pay for their education beyond high school.

To be eligible for the sale, project members must participate in quality assurance training through the Youth for the Quality Care of Animals program, follow a member and producer's code of ethics and satisfy final weight, rate of gain, live grade, and live rank requirements. Of the animals meeting the weight, rate of gain, and grade requirements, the top 30 beef, 40 hogs and 25 lambs are sold. Students may either breed and raise their own animals or select and purchase animals their project animals.

Students register their animals at initial weigh-ins held in December for beef and April for hogs and lambs. All animals are identified with RFID ear tags, and initial weights recorded. Final weigh-ins will take place on Tuesday, July 16 at 6:30 p.m., for sheep, and Wednesday, July 17, beginning at 8:00 a.m. for beef, with hogs to follow. All species will be analyzed using ultrasound technology to measure loin eye area, back fat and marbling for grading and carcass judging. Spectators are welcome to watch this process during the final weigh-ins at the Triebensee Memorial Barn on the fairgrounds. Live animal evaluation will take place at the following times- Sheep- 3 pm –Wednesday, July 17th, and Thursday, July 18th – Hogs at 8:00 a.m., Beef at 2 pm.

Animals sold at the sale will be processed at the Almena Meat Company at Almena; The Butcher Shop, Rice Lake; Bob's Processing, and Lotts A Meat, both in Bloomer. Once carcass quality is determined, overall awards are determined based on rate of gain, live rank and carcass merit. The overall winner is the exhibitor with the best ranking in all three areas, and will be announced at the **Livestock Carcass Show & Awards Program on Thursday, July 25th, 7:00 pm, at Barron High School.** All carcass show data will be available at the awards program. Overall champions of each species will be named based on rate of gain rank, live rank, and carcass rank, and all other livestock awards for the beef, swine, and sheep project will be presented at this time.

The livestock project shows and sale are supervised by the Barron County Junior Livestock Committee, which consists of parents, project members, 4-H leaders, FFA advisors, and others interested in advancing the livestock industry. The committee's role is to design, implement and evaluate learning activities for project members, including setting educational goals for the project, as well as standards for finish weight, quality grade, rate of gain, and live rank for animals to qualify for the sale. Anyone wishing to serve on this committee should attend the September meeting of the committee or contact the UW-Extension office at 715- 537-6250.

We look forward to seeing you at the fair!
