

You will need a piece 30"x30" for backing and side pieces.

1. Square up the front top.
2. Cut 4 – 2 ½ inch strips of the backing.
3. Sew the short ends of the top.

4. Sew the other 2 sides on each side of the top.

5. Measure the size of the placemat top to cut the backing.
6. Sew right sides together leaving an opening to turn it inside out.

7. Turn inside out and press. Top stitch around the placemat.

Thanks for helping.
