The Wisconsin Youth Tractor & Machinery Safety Certification Program is designed to meet state and federal requirements for youth.

- 12-13 year olds operating tractors or self-propelled implements on public roads under direction of their parent or guardian or for work related to their family farm operation
- 14-15 year olds who will be employed (or working without pay) by farms not operated by their parents/family.

Youth will learn:

- Safe Tractor and Implement Operation and Farm Safety Techniques including identifying potentially hazardous situations and how to reduce risk of injury
- Tractor instruments, controls, maintenance and safety inspections of tractors.
- Proper use and operation of tractors and tractor limitations.

Certification Requirements

- Eligible students must be 12 years old or older prior to the beginning of the course.
- Attend 24 hours of instructional training
- Pass written examination with a minimum score of 70%
- Pass a practical driving examination demonstrating safe operation of tractor and 2 wheel implement through obstacle course.

Requests for reasonable accommodations for disabilities or limitations should be made prior to the date of the program or activity for which it is needed. Please do so as early as possible prior to the program or activity so that proper arrangements can be made. Requests are kept confidential.
