The 2026 Fair Season is quickly coming up which means it's time for the Youth Quality Care of Animals Instructor-Led Training and Junior Livestock Information Meeting. This is your reminder that ALL youth planning to show beef, sheep or swine, or Miss-Q Dairy Quality at the Barron County Fair and/or the Wisconsin State Fair must attend an Instructor Led YQCA meeting.

Also at this meeting, Livestock youth will receive all the paperwork/information needed for the 2026 Fair.

How to register is attached and all Youth are to be registered prior to the YQCA meeting they will be attending.

For help with registration, please view the help document attached or contact YQCA directly from their website. <https://yqcaprogram.org/local/help-desk.php>

If you do not have access to a computer or need help with registration, registration assistance will be available at the meeting, or you can contact Emily Drafall, Livestock Coordinator @ barroncountylivestock@gmail.com or Barron County Extension Office at 715-768-6219 for assistance prior to the meeting.

If you have questions, feel free to contact your FFA Advisor at their school or email the Livestock Coordinator at barroncountylivestock@gmail.com.

**** Swine Exhibitors will be able to get their ear tags at the YQCA Meetings. Cost for each tag will be \$3.00.
