## **Flag Team**

*Training Center Dates - To Be Determined*

*Optional to drill team members (present and former)*

- Must complete a skills evaluation with a flag
- Must be able to ride and control a horse one handed (Training centers must be attended)
- Team presents our colors during the National Anthem at the start of each show day during our fair or other agreed upon events
  - Riders may choose any or all days of fair they would like to participate in
- Pattern remains the same yearly for ease of participation
- Attire-White long sleeve shirt, blue jeans (rider provided) along with a red bandana, red saddle pad cover and red leg wraps (provided by the horse project)
- Respect for the flag: Flag should never touch the ground unless in an emergency situation

# General Performance/Practice Rules

- Captain performs whistle cues during practices and performances
  - **At Start:** 1-get ready, 2-go
  - **During Routine:** 1-change formation
- Listen for instruction
- Be flexible and accept that your “spot” or “position” may change from session to session
- When trotting the rider should “sit” the trot—No posting
- If you make a mistake do not stop (unless an emergency situation), catch up or improvise to the next formation
- Do not stop unless the whole group is told to stop
- Do not pull out of line unless it is to avoid a collision

## Basic Terms

- **Caller**-is Captain/captains, has whistle and signals routine start and formation changes
- **Formation**-a specific pattern performed as a group
- **Transition**-a maneuver to setup for the next formation in the routine
- **Rate Your Speed**- refers to asking the rider to either slow down or speedup to keep proper spacing
- **Open Formation**-Single file line horses about one horse length apart. When rider looks through the ears of their horse, they should see the fetlock of the horse in front of them
- **Closed Formation**-Sing file line of horses about 3 feet apart. When rider looks through the ears of their horse they should see the top of the tail of the horse in front of them
- **Pivot Point**-inside rider when performing a whip
- **Flanker**-Person on the end/ends of a line
- **Stay Abreast**-all horses moving forward in a straight line (breast of horse inline)
- **Tricycling**-one person in front of or behind a “pair” of riders

## Safety Considerations

- Use closed reins
- Learn and practice emergency one rein stop
- Be aware of horse’s body language and close contact to avoid potential mishaps
  - No kicking, biting, bucking or rearing (If your horse threatens to kick out drive it forward)
- We urge that horse and rider have the ability to perform items on the Skills Evaluation checklist PRIOR to signing up for the drill team. We are here to assist riders and horses accomplish any and all of these items.
