Date**Wisconsin 4-H Key Award Selection Committee**

[County Name] Extension Office

Dear Members of the Selection Committee,

I am writing to apply for the Wisconsin 4-H Key Award Trip. As a long-time member of the Oak Grove 4-H Club, I have grown through hands-on learning, leadership opportunities, and service to my community. This award represents the highest level of achievement in 4-H, and I am eager to demonstrate how my experiences reflect the values of leadership, citizenship, and personal development.

Throughout my seven years in 4-H, I have been actively involved in club activities, county programs, and a variety of project areas. My dairy, photography, and foods projects have challenged me to try new things, build technical skills, and take on increasing responsibility. Whether caring for my dairy heifer, preparing a food demonstration, or experimenting with new photography techniques, each project has taught me discipline, problem-solving, and confidence.

Leadership has been one of the most meaningful parts of my 4-H journey. Serving as club vice president and secretary strengthened my communication and organizational skills, while participating in the County Youth Leadership Program allowed me to help plan events and support younger members. These roles taught me how to guide others, work collaboratively, and take initiative—skills I know will continue to shape my future.

Community service has also played a central role in my development. From helping with county 4-H promotion efforts to participating in food drives and veterans appreciation events, I have learned the importance of giving back and representing 4-H with pride. These experiences helped me understand the impact youth can have when we work together to support our communities.

4-H has shaped who I am today—responsible, motivated, and committed to learning. I am grateful for the opportunities this program has given me and excited for the chance to represent my county through the Key Award Trip. Thank you for considering my application and for your continued support of youth development in our community.

Sincerely,
