

Barron County Junior Livestock Show & Sale Committee

November 9, 2026

To: Beef Project Members
From: Barron County Junior Livestock Committee
Subject: Beef Project
Place: Equity Livestock Market, Barron Facility

Date: Saturday, December 12th, 2026
Time: 9:00 am - 11:00 am

Market Steer Registration Forms
Market Steer Registration forms will be available on December 12. Blank forms will also be available for any family we may have missed.

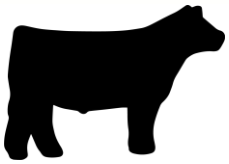

Beef Weigh-In Availability
A beef weigh-in is not currently planned because a scale is unavailable. Everyone should still be prepared for a possible weigh-in on the scheduled tagging date. Any updates regarding weigh-in availability will be communicated as soon as they are confirmed.

Required - Tagging Attendance
All beef project members (or representatives) are required to attend the scheduled tagging date to have their animals tagged. Animals must be tagged on this date to meet project requirements.

Official Tagging and Registration
Each beef steer must be identified with an electronic RFID ear tag applied by the official tagger before the animal leaves the chute. Animals that are not tagged by the official tagger will not be considered registered for the 2027 Barron County Junior Livestock Market Animal project.

Animal Eligibility

- Steers should not have been born before January 1 of the previous fair year.
- Animals must be castrated before tagging.
- Horns are not allowed; scurs are acceptable.
- Animals will be registered by family

Barron County Junior Livestock Show & Sale Committee

Electronic Ear Tag

- $5.00 for each electronic ear tag used to identify the animal, payable at tagging
